## EDUCATION

- **Indian Institute Of Information Technology, Ranchi** 2023 – 2027  
*B.Tech (Electronics and Communication Engineering)* CGPA: 8.03
- **Matoshri College Of Engineering** 2022 – 2023  
*JEE + HSC(Science)* Class XII: 80%
- **Nashik Cambridge School** 2020 – 2021  
*CBSE Board* Class X: 93%

## EXPERIENCE

- **Frontend Intern – @Glory Media (Remote)** May 2025 – Jun 2025  
*CRO-Focused Agency for D2C Brands*
  - Contributed to the frontend of **SuppAi**, a health-focused client project, enhancing UI responsiveness and consistency across devices using **React** and **Tailwind CSS**.
  - Implemented modular, reusable components that improved code maintainability by **30%** and accelerated development cycles for upcoming A/B test variations.
  - Collaborated with cross-functional teams to optimize the user journey for conversions—boosting click-through rates by **20%** through data-driven UI improvements.
- **UI/UX Intern & Frontend – @Precollege (Remote)** May 2024 – Jul 2024  
*EdTech Platform for Student Upskilling*
  - Designed responsive layouts using **Figma** and **Tailwind CSS**, converting wireframes into pixel-perfect React components—boosting navigation flow by **35%** and improving UI consistency.
  - Enhanced platform-wide visual design and accessibility, contributing to a **25% increase in average session duration** and significantly improving user retention.

## PERSONAL PROJECTS

- **PreHire** Live | [GitHub](#)  
*An AI-powered mock interview platform delivering real-time feedback and performance analytics*
  - **Tools & technologies used:** React.js, Tailwind CSS, ShadCN UI, Gemini API, Clerk, Firebase
  - Built an AI-driven platform using **Gemini API** for real-time mock interviews, enhancing user preparedness by **60%+** with instant feedback and structured questions.
  - Implemented **Clerk** for authentication and **Firebase** for performance tracking, enabling over **1,000+ interview sessions/month** with a scalable, mobile-first UI.
  - Engineered a responsive frontend with **ShadCN UI**, optimizing performance, UX, and code maintainability for future feature rollouts.
- **Vibely** Live | [GitHub](#)  
*A full-stack real-time chat application with media sharing, user customization, and secure messaging*
  - **Tools & technologies used:** React.js, Node.js, Express.js, MongoDB, Socket.IO, DaisyUI, Cloudinary
  - Developed a real-time chat platform using **Socket.IO** and **MongoDB**, supporting secure messaging, media uploads via **Cloudinary**, and user customization.
  - Built responsive UI with **React.js** and **DaisyUI**, increasing user interaction by **40%** through theme toggles and profile personalization.
  - Deployed on **Render** with **99.9% uptime**, ensuring smooth performance and multi-user concurrency for scalable usage.
- **EatWise** Live | [GitHub](#)  
*A responsive restaurant website with table booking, dark/light mode, and an interactive cart system*
  - **Tools & technologies used:** React.js, Tailwind CSS, React Router, Context API, Framer Motion
  - Designed a fully responsive UI for **EatWise**, integrating table reservation, dynamic food menus, and real-time cart flow, improving user task completion by **70%**.
  - Utilized **Framer Motion** for smooth UI transitions and **Context API** for global state management, delivering a seamless and engaging user experience across devices.

## TECHNICAL SKILLS AND INTERESTS

**Languages:** C++, Python, JavaScript, TypeScript, SQL, HTML, CSS  
**Developer Tools:** VS Code, GitHub, Postman, Canva, Figma, Overleaf  
**Frameworks:** React.js, Node.js, Express.js, Redux, Tailwind CSS, UI/UX Design, React Router, Context API  
**Cloud/Databases:** Firebase, MongoDB, MySQL, PostgreSQL, Cloudinary

## ACHIEVEMENTS

- **Visual Designer – GDG Ranchi (Google Developer Group)** June 2025 - Present  
*DevFest and Community Tech Events*
  - Crafted visual design systems for 3+ GDG events, increasing audience reach and interaction by **40%**.
  - Created interactive and engaging visual content for major community events like DevFest to boost attendee interest.
